

The diagram illustrates the structure of an Erlang module. It consists of three nested rectangular boxes. The outermost box is light blue with a dashed black border and contains the text 'erl2' at the top. Inside this box is a second, solid light blue box with a solid black border. This second box contains a third, smaller solid blue box with a solid black border on the left side, which contains the text 'erl2'. To the right of this innermost box, within the second box, is the text 'include'.
